

JERICO-NEXT Status

*9th FerryBox Workshop
24th April 2019 – Genoa - Italy*

Presenter: Laurent Delauney

email: Laurent.delauney@ifremer.fr

Contributor(s): JERICO-NEXT Coordination team

JERICO-NEXT: Quick-look

Important figures

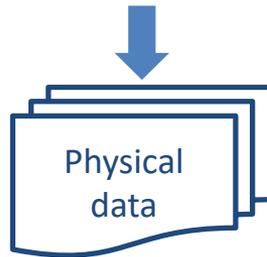

- **Duration:** Sept. 2015- **Aug. 2019**, 4 years
- **EU funding:** 10M€
- **Consortium:** 34 partners, 910 MM
- **Organization:** 9 WPs + STAC + User panel
- **Coordination:** Ifremer - jerico@ifremer.fr
- **66 deliverables, 63 milestones**

JERICO-NEXT: 34 partners distribution

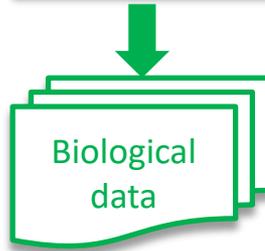

From JERICO to JERICO-NEXT

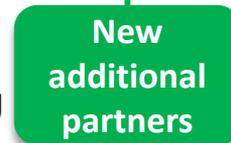

State-of-the-art
Coastal
observation
infrastructure
and networks

New high quality
infrastructures
& services

New competences
to better understanding
interaction between
physical & biological data

Better
characterization
of ecosystem health
and pressures
on marine
biodiversity

Continuous and
more valuable
coastal data coupling
physical & biological
information

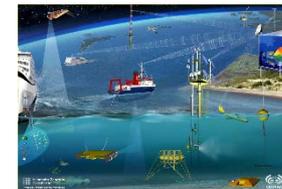

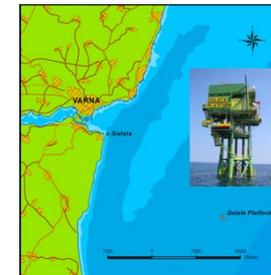

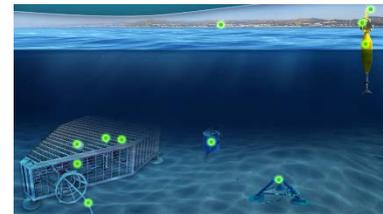

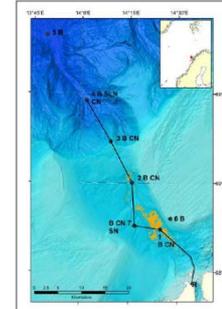

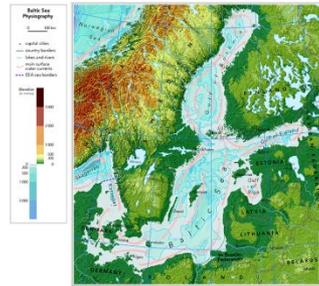

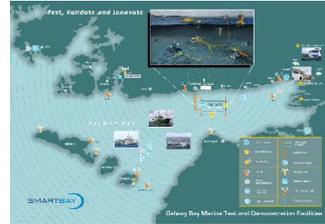

Extended EU
coastal observatory network

JERICO-NEXT: LIST of WPs

- **WP1** - Integrated Science Strategy and Governance from local to European Scales (**COVARTEC**, **CNRS-EPOC**)
- **WP2** - Harmonization of technologies and methodologies - technical strategy (**OGS**, HZG)
- **WP5** - Data management (**HCMR**, EuroGOOS)
- **WP8** - Outreach, communication and engagement (**Blue Lobster**, CEFAS)
- **WP6** - Virtual Access (**CEFAS**)
- **WP7** - Transnational Access to Coastal Observatories (**CNR-ISMAR**)
- **WP3** – Innovations in Technology and Methodology (**HCMR**, **Ifremer**)
- **WP4** - Valorisation through applied joint research (**Ifremer**, **CNRS-EPOC**)

Networking Activities **Transnational Activities** **Joint Research Activities**

JERICO-RI

JERICO-NEXT STATUS

- **END IS COMING SOON : SEPTEMBER 2019**
- **FINAL GENERAL ASSEMBLY: Tuesday 2nd to Friday 5th (noon) of July**

JERICO-NEXT Final GA - July 1st to July 5th 2019				
WHEN ?		ROOM CAPACITY	WP	<i>Recreation / breaks areas (lunch etc.) - Side events can be organised there too (posters etc.)</i>
MONDAY - 01/07/2019	13:00 to 18:00	TBC	Steering committee	TBC
<i>MONDAY EVENING - ICE BREAKER</i>				
TUESDAY - 02/07/2019	9:30 to 13:00 - 14:00 to 18:00	Room - 80pp	WP 2, 5 + 3	TBC
WEDNESDAY - 03/07/2019	same	Room - 80pp	WP 6 + 7 (User Panel)	Coworking // Cafeteria area booked (100+ pp)
<i>WEDNESDAY EVENING - DINNER</i>				
THURSDAY - 04/07/2019	same	AMPHI 100+	WP4 + WP3 (User Panel)	"Science Day" (universities, Ifremer, press may be invited - TBC) Coworking // Cafeteria area booked (100+ pp)
FRIDAY - 05/07/2019	9:30 to 13:00	AMPHI 100+	WP8, WP1 +link to JERICO-S3	Coworking // Cafeteria area booked (100+ pp)
FRIDAY - 05/07/2019	<i>Local, collective activity Friday afternoon</i>			

➤ MAIN DELIVERABLES to come...

D2.3	Report on ongoing harmonization initiatives within the JERICO network for the following three key technology areas: Fixed Platforms, Ferryboxes and Gliders.	WP2	14 - HCMR	Report	Public
D4.4	First valorisation results for each region	WP4	1 - IFREMER	Report	Public
D4.5	JRAP Synthesis and contribution, to the strategy for the future	WP4	7 - CNRS	Report	Public
D5.5	Description of the biological data	WP5	32 - VLIZ	Report	Public
D2.7	The “JERICO Label”, Version 2	WP2	23 - OGS	Report	Public
D1.2	Scientific strategy	WP1	7 - CNRS	Report	Public
D1.4	JERICO roadmap for the future	WP1	1 - IFREMER	Report	Public

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 654410.
